Bowls

The bowls come in a set of two and the stainless-steel bowls are removable for easy clean-up.

Bed

Fully machine washable. The bed is 50x40 cm and is suitable for dogs less than 8kg.

Toys

There are three kinds of toys included with the kit. One is a treat dispensing ball that will help keep your dog occupied while working for his/her food. The second toy is a plush and squeaker toy that can keep your puppy company while you're away. The third toy is a pull rope with a chewy section that you can use to redirect your puppy's teething/chewing habits to and to play tug with your pup.

Leash/Collar/Harness

Size Small: Leash is 1.5 cm thick and 150 cm long. The harness fits chest sizes from 30-45 cm. The collar fits necks between 26-36cm. Suitable for 3-10 pound dog.

Pee Deodorizer/Sanitizer

This spray helps to disinfect and deodorize pet urine/poop. You can also spray directly on your pet to deodorize.

Worm and Flea Treatments

One tablet of heartguard (good for pets up to 2 kg) and one vial of Frontline (for dogs 8 weeks and older and up to 10kg). Each treatment lasts for 1 month.
